

PADI Advanced Open Water Diver Course 2013

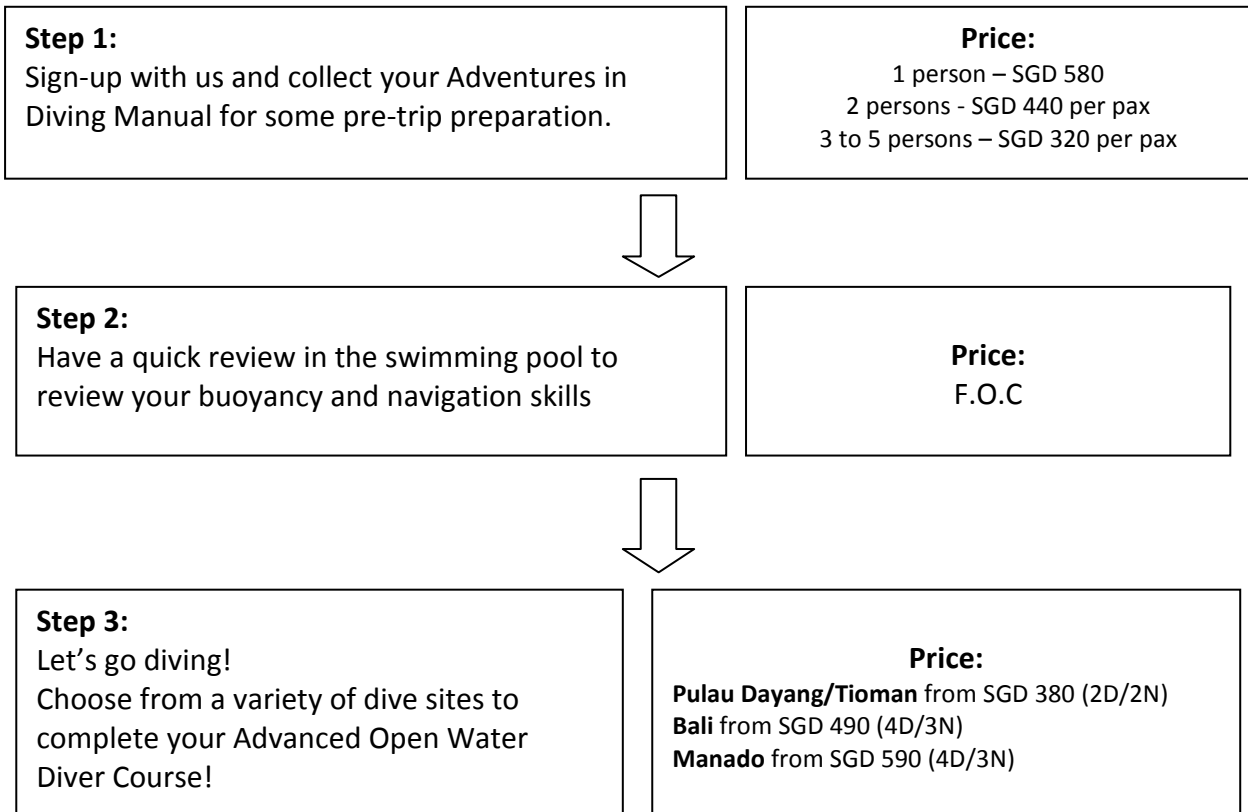

Are you already a certified diver? Are you interested to visit that wreck at 22 meters? That big table coral? Or how about seeing a reef at night?

The PADI Advanced Open Water Diver Course will improve your diving skills and expand your knowledge. The course is designed so you can go straight into it after the PADI Open Water Diver course, helping you increase your confidence and build your scuba skills so you can become more comfortable in the water.

Welcome to beauty and the blues, welcome to *fun under pressure!* (The Submersibles' tagline!)

3 Simple Steps to becoming a PADI Advanced Open Water Diver

About Us: The Submersibles

Like any **REPUTABLE, RESPONSIBLE** and **AWARE** dive shop, The Submersibles conducts PADI scuba courses strictly in accordance to PADI standards, procedures and requirements. In fact, we aim a tad higher by giving students the extra attention (and hence safety) through small group teaching in the confined and open water, as well as in providing Dive Computers in open water dives.

	PADI Standards	The Submersibles' Standards
Students : Instructor Ratio in Pool	10	5
Students : Instructor Ratio in Open Water Dives	8	5
Dive Computer during Open Water Dives	Optional	Compulsory

All we ask for is your commitment to the course schedule and the course, a keen interest in learning scuba diving, and most importantly a love for the environment. With those qualities, we guarantee you a fun and safe time diving throughout the theory classes and pool/open water sessions, and being taught with knowledge, patience and enthusiasm.

You will find that learning to dive with The Submersibles comes with **SERIOUS ADVANTAGES:**

- ✓ **ONE** pool sessions (at no extra cost) before your open water dives
- ✓ **FREE** rental of dive computer for our Students during open water dives
- ✓ **15%** off any Scuba Equipment you purchase during your course period,
- ✓ **10%** off your Rescue Course Fees (within the 3 months of completing your AOWD)

Beyond that, graduating from The Submersibles' PADI courses signifies that you have earned your certification through our comprehensive education system and you will be recognised in Singapore, as well as among our numerous partners across Asia. You will be warmly welcomed wherever and whenever you dive with our partners as well.

We really hope that you enjoy diving and/or shopping with us. Let us know if you need any assistance, as we will go that extra depth (well, to 40 metres only) to make you happy. ☺
