

PADI Open Water Diver Course

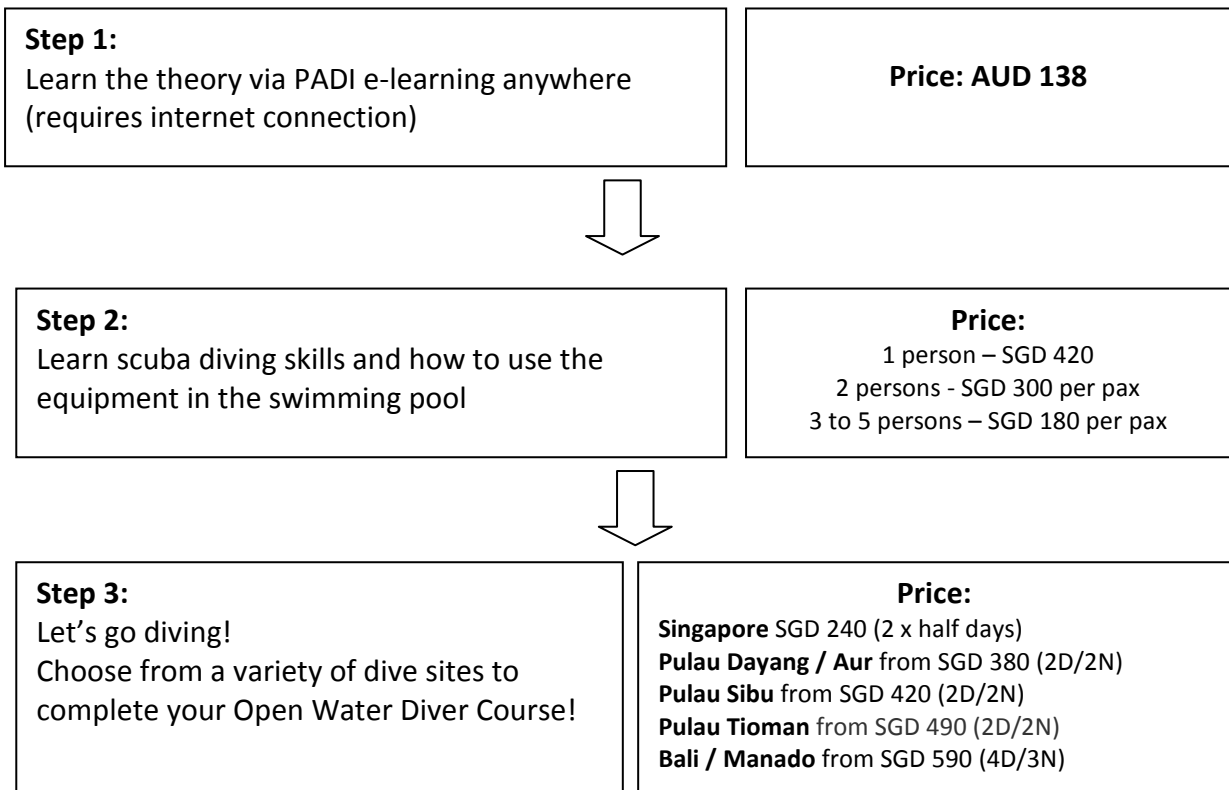

If you have always wanted to learn how to scuba dive, experience new adventures, discover the wondrous world of the sea and make new friends, this is where it starts!

The **PADI Open Water Diver Course** is the world’s most popular scuba course, and has introduced millions of people to the adventurous diving lifestyle

The Submersibles is here to welcome you to the beauty and the blues, get ready to have **fun under pressure** (The Submersibles’ tagline)!

3 Simple Steps to becoming a PADI Open Water Diver

Pre-requisites:

1. Minimum age of 15 years old (or 10 years for Junior OWD). For Children below the age of 15, the presence of one or both parents/guardians during the course is strongly recommended.
2. In reasonably good physical and mental health
3. Ability to swim **200m continuously** (without stopping) and **float 10min** on the surface of water without any aid/assistance.
4. Keen interest to have lots of fun 😊

About the Classes:

- 1) **Theory:** With e-learning, you can now learn your diving theory in the comfort of your home or anywhere with an internet connection. Please log on to this website to register and start the e-learning:

Prices are inclusive of:

1. PADI Instructors' Instructional Services for the whole duration of the course.
2. PADI OWD Certification Card (after you have earned it by fulfilling course pre-requisites)
3. E-learning for your theory lessons to make it more flexible for you!
4. Unlimited pool sessions: Minimum 12 hours in Pool to ensure everyone are ready before the open sea and up to 20 hours for those who needs more time to practise.
5. Rental of all dive equipment for completion of course (Pool & trip rental).
6. DIVE COMPUTER included in your Open Water dives for greater safety!
7. Small group ratio: No more than 5 students in any class. If there are 6 of you, there will be 2 different classes with 2 PADI Instructors conducting.

About Us

The Submersibles

Like any **REPUTABLE, RESPONSIBLE** and **AWARE** dive shop, The Submersibles conducts PADI scuba courses strictly in accordance to PADI standards, procedures and requirements. In fact, we aim a tad higher by giving students the extra attention (and hence safety) through small group teaching in confined and open water, as well as by providing Dive Computers in open water dives.

	PADI Standards	The Submersibles' Standards
Students : Instructor Ratio in Pool	10	5
Students : Instructor Ratio in Open Water Dives	8	5
Dive Computer during Open Water Dives	Optional	Compulsory

All we ask for is your commitment to the course schedule and the course, a keen interest in learning scuba diving, and most importantly a love for the environment. With those qualities, we guarantee you a fun and safe time diving throughout the theory classes and pool/open water sessions, and being taught with knowledge, patience and enthusiasm.

You will find that learning to dive with The Submersibles comes with **SERIOUS ADVANTAGES:**

- ✓ **Unlimited** pool sessions (at no extra cost) before your open water dives
- ✓ **FREE** rental of dive computer for our Open Water Students
- ✓ **15%** off any Scuba Equipment you purchase during your course period,
- ✓ **10%** off your Advanced Course Fees (within the 6 month of completing your OWDC)

Beyond that, graduating from The Submersibles' PADI courses signifies that you have earned your certification through our comprehensive education system and you will be recognised in Singapore, as well as among our numerous partners across Asia. You will be warmly welcomed wherever and whenever you dive with our partners as well.

We really hope that you enjoy diving and/or shopping with us. Let us know if you need any assistance, as we will go that extra depth (well, to 40 metres only) to make you happy. ☺
